GENERAL REQUIREMENTS

IDAHO STATE SALES TAX ACT

- Tax forms are to be filled out online. The website link will be emailed directly to vendors.
- The Idaho Sales Tax Act requires every retailer engaged in business in Idaho to obtain a seller's permit from the State Tax Commission. Retailers are required to collect the six percent (6%) Idaho sales tax on each sale that is not exempt from tax. This tax immediately becomes the property of the State held in trust by the retailer. As is dictated by Idaho Tax Code, Title 63-3620C, and each vendor must complete form ST-124, stating whether or not they have taxable items, and if they do, what their seller's permit number is. Each vendor should display their seller's permit so that the State Tax Commission representatives can see it without having to interrupt business. Except for unusual circumstances, there is no charge for an Idaho seller's permit. Contact the local State Tax Commission office to obtain a permit at (208) 334-7600 or toll free at (800) 972-7660.

SOUTHWEST DISTRICT HEALTH PERMIT

- Vendors offering food samples must obtain a temporary permit from Southwest District Health Department before operating. For further information call the Health Department at (208) 455-5400.

ANIMALS

Animals (except service or show animals) will not be permitted on the grounds. Permitted dogs must be on a leash. Service animals are individually trained to do work or perform tasks for an individual with a disability who, if asked, must be able to describe the specific tasks performed or work done by the animal. A "comfort" or "emotional support" animal, or one that provides aid without performing a specific task or duty, means that it does not meet the definition of service animal. If the animal is not individually trained to do work or perform a task, it is considered a pet under the ADA. Obedience training alone is not a sufficient qualification to make a service animal.

ALCOHOL

No beer, wine, intoxicating liquor or controlled substance of any kind shall be kept, sold or consumed by vendors or any employees within their allotted space.

SMOKING

Smoking or the use of electronic cigarettes, cigars, pipes, hookah, or other similar products is prohibited on the grounds.

RE-STOCKING AND DELIVERIES

O'Connor Field House will be open and staffed for restocking from 11:00 – 11:30 a.m. daily.

PARKING

There is no reserved parking for vendors. All parking is FREE and is on a first-come, first served basis for the public, vendors and exhibitors.

CAMPING

Overnight camping or parking is not permitted on any portion of the Fairgrounds or surrounding area. You may reserve camping space at Ambassador R.V. Resort located at 615 Smeed Parkway (past Flying J). To make reservations call (208) 454-8584.

EXHIBITOR MOVE-IN

Booths may be set up from 10:00 a.m. – 8:00 p.m. on Wednesday, July 24. The grounds and O'Connor Field House will be open for additional set up from 9:00 a.m. – 11:00 a.m. on Thursday, July 25. All booths must be in place by 11:30 a.m. on Thursday July 25, and must remain in place until closing at 9:00 p.m. on Sunday, July 28. Upon arrival at the Fairgrounds for set-up, please report to the Foyer in O'Connor Field House to verify your space location and to obtain your credentials along with other vendor information. **PLEASE DO NOT ATTEMPT TO LOCATE YOUR SPACE FIRST. Once inside, please stay in your designated space until fair is open to the public.**

SET-UP AND DESIGN

The fair provides back drape measuring 8 feet tall, 10 feet wide, and side drape measuring three feet at each inside space. Vendor is responsible for chairs, tables, etc. Inside booths cannot have any advertising or such above the eight foot drape line of the booth. Please keep the front five feet of your booth display and products below four feet. The back five feet can be as high as eight feet. This is simply for courtesy of your neighbors, and so patrons can see the front of all booths in an aisle as they are standing at the end of it.

STORAGE SPACE

All excess storage items must be stored inside booth space and must be attractively concealed or covered. Unless extra space was contracted and paid for, vendors are not allowed to utilize any space behind or around their marked booth area. Storage considerations must be planned in advance. Any special requests to place a storage trailer on the property must be discussed with fair staff and approved.

TEAR DOWN

At 9:00 p.m. closing time on Sunday, July 28, all fair patrons will be cleared from O'Connor Field House and vendors may begin hand-carting display materials from the building.

O'Connor Field House will remain open for move-out "Soft close time at 11:00 p.m." July 28 and will re-open for additional move-out from 10:00 a.m. to 2:00 p.m. on Monday, July 29. All vendor booths must

be removed and area cleaned of debris by 2:00 p.m. on Monday, July 29, or there will be a \$50 charge per day.

Canyon County electricians are the only authorized electricians to work on or, add to, the Fairgrounds electrical services. Electricity will be provided per your request, when possible. **Unfortunately, due to set up of O'Connor and bringing in temporary power for our vendors, the power box may be located in your booth even if you have not ordered power. We are sorry for any inconvenience this may cause.**

It is expressly understood that vendors are prohibited from selling any articles or products or rendering any services, except those specifically listed on their Commercial Vendor Agreement. Nor shall they exhibit any advertising material directly pertaining to such non-agreed products. The fair reserves the right to require immediate removal of any objects which are not listed on your agreement, or are in the opinion of management deemed to be offensive, hazardous or might adversely affect the fair's image. Vendors will be chosen and placed in a manner that the Management considers conducive to a successful Fair for both vendors and patrons.

The Fair does not grant product exclusivity to any vendor participating in the Fair. For the mutual benefit of our vendors and the public we do make every attempt to diversify products by not over-booking product lines.
