Beef	Goat	Swine	Poultry	Sheep	2027

The order of sale within each species will be determined by show ring placing - purple, blue, red, white.

61. Any animal exhibited in any market or meat bird pen class that received Grand Champion or Reserve Grand Champion must be sold in the Market Livestock Sale. In the event an exhibitor has won Grand Champion or Reserve Grand Champion in two or more species, exhibitor must designate one animal they wish to sell. Others will be removed from the sale order.
62. Exhibitors must be present and prepared to sell in sale order.
63. Only exhibitors that are in "good standing" within their organizations are eligible to sell an animal at the Canyon County Fair Market Livestock Sale.
64. No personal announcements concerning the exhibitor will be made during the sale.
65. The Market Livestock Sale Committee will not be responsible for collection of original purchase price of an animal.
66. The Canyon County Fair Market Livestock Sale is a terminal sale. Terminal is defined as a change of ownership. A project animal sold through the Canyon County Fair Market Livestock Sale cannot continue as a project animal in the current year.
67. Exhibitor is responsible for market animal until it is loaded on the truck. If an animal dies prior to that time, the circumstances will be reviewed by the Market Livestock Sale Executive Committee to determine payout, if any. Each exhibitor will plan to see that the animal is fed and watered prior to shipping. The Fair is not responsible for the security of any equipment (e.g., pig waterers, feed pails) left at the Fairgrounds. Disposable containers should be left for animals Sunday evening. Exhibitors may pick up left equipment on Monday from 10 a.m. to 1 p.m.
68. Any market animal sold through the Canyon County Fair Market Livestock Sale will be delivered to the packer by a member of the Market Livestock Sale Committee or their designated hauler.

Animals purchased for personal use may be picked up with appropriate bill of sale at the designated time set by the Market Livestock Sale Committee.

Non-Slaughter/Personal Use - Exhibitors will be given the opportunity to declare their animal as a Non-Slaughter/Personal Use project at the time of Fair entry, this declaration will be final.

Payment - Livestock must be paid in full by credit card or cash payment before the animal may be released. Payment must be made within 1 hour of conclusion of the Canyon County Market Livestock Sale. (Check will not be accepted as a form of payment.)

Delivery and Pickup - Upon payment confirmation, top bidder will be contacted by a member of the Canyon County Market Livestock Sale Committee to confirm purchase. Any animal not paid for by payment deadline will be sold to the floor buyer and top bidder will be invoiced for the difference between the floor price and the actual sale price. Animals must be picked up at the Canyon County Fair facility on Monday, July 28 between the hours of 8:30 a.m. to 10:00 a.m.

69. A deduction will be made from the total amount of the sale of each animal before checks are distributed. The amount deducted will be determined by the Market Livestock Sale Committee based on actual costs. This money will be used for expenses such as promotion, buyer recognition, sale operation, and trucking.
70. A \$2.00 fee for beef and a \$1.00 fee for sheep, goats and swine is assessed from each animal sold and these fees will be used to maintain a condemned carcass fund, which will be available to reimburse an exhibitor for any carcass condemned by the packer due to natural causes. Any carcass condemned from the effects produced by use of illegal or prohibited treatment or by neglect or abuse is the responsibility of the exhibitor. The exhibitor will not receive any funds from the sale of these animals.
71. Sale checks will be mailed to individual members, using addresses from the online fair entry system. Please verify your mailing address is correct. Checks will be released as soon as all money is received and the auction audit is complete. Checks will not be released until all support of that exhibitor has been paid to the Canyon County Fair Market Livestock Sale Committee.

PROTESTS

72. A protest form must be completed and be accompanied by a \$250 deposit which will not be returned. Protest must state plainly the cause of complaint or appeal and must be delivered to the Show Management immediately after the occasion that prompted the protest. Protests will be accepted prior to, during and within 2 hours immediately following the occasion that prompted the protest.
73. Judging procedures will not be interrupted for protest investigation. Depending on the basis of the protest, a decision may be withheld until a complete investigation has been conducted.
