

Canyon County Market Livestock Sale

Support the Future of Agriculture

The Market Livestock Sale Program was created to allow 4-H and FFA members an opportunity to bring their market projects to the Canyon County Fair for judging and sale. As part of their project, youth are encouraged to invite potential buyers to the livestock auction. There are many ways you can help - even if you are not interested in obtaining an animal for meat.

Youth who participate in market livestock projects **learn valuable skills**. What they experience in the program adds to their lifetime of **knowledge and leadership**, which makes our community stronger.
